

Pedal-cum-Power Operated Cleaner

Salient features

- The machine can be operated by electric motor as well as by manual pedalling.
- Removes dust, dirt, straw, chaff etc. and grades the cereals and pulses.

Advantages

- ✓ Reduction in drudgery and increase in capacity over the conventional manual cleaning system.
- ✓ Higher price for grains, reduction in storage losses and saving on maintenance cost

Specifications

Capacity: 800 kg/h for power operated, and 350 kg/h for pedal operated

Cleaning efficiency: 99%

Power source: 370 W electric motor

Machine developed by

The Director
ICAR-Central Institute of Agricultural Engineering (CIAE), Nabibagh, Bhopal 462038
Email: director.ciae@icar.gov.in

Year

1980

Price / Unit

₹ 30000
